

Actual Project Activities

Please list the activities that took place during your laboratory time, and indicate when they occurred, and who did them. The 'Initials' column must specify only one person. If two people worked on the same subsystem or task, you should list this as two separate activities, and be clear about what each individual contributed.

Activity	Initials	Fri am	Fri pm	Mon am	Mon pm	Tue	Wed	Thu	Fri am	Fri pm	Mon am	Mon pm
Implement the DFT	YFL	X	X									
Implement the cross-correlation function	YFL	X	X									
Code testing	YFL	X	X									
Tweaking and debugging signal processing	YFL			X	X	X	X		X	X		
Hardware construction	YFL							X	X			
assist teammate to use equipments in lab	YFL						X					
assist hardware debugging	YFL										X	X
